

1. Log in to Learning Catalytics in one of two ways:

(a) Log in through MyMathLab using the Learning Catalytics link on the MyMathLab Course Home page:

8/27/18 11:29 AM

29	THU	30	FRI	31	SAT	1	>
----	-----	----	-----	----	-----	---	---

lc Learning Catalytics

You will be using **Learning Catalytics** in this course. Click to confirm access.

(b) Or, log in to Learning Catalytics directly at LearningCatalytics.com, using your Pearson username and password (the same one you used when you linked MyMathLab to Blackboard).

2. The first time you log in, you will need to enter your WSU student ID in your Learning Catalytics account so that you get credit for your participation later. At the top right of the screen, click on your name:

learning | catalytics™ Butch Cougar | [Log out](#)

[Home](#) > [Review older sessions](#)

3. Add your WSU student ID number and click “Update Account.”

My Account

★ [Edit my Pearson profile](#)

Account valid until Mon, Dec 30, 2019 at 4:00pm

Name Butch Cougar

Student ID

4. When your instructor uses Learning Catalytics in class, you will be given a session ID that allows you to access the current session. To enter the session ID for a current Learning Catalytics session, you will need to be the Learning Catalytics welcome screen. If you are not there already, use the “Home” link to go to the welcome screen.

[Home](#) > [Review older sessions](#)

5. Enter the session ID and click “Join.”

Welcome!

 Enter a class session ID to join a session:

 [Join](#)

 Or review your responses to modules that are no longer active:
